**\*\* It should be noted that the APA Pre-doctoral Internship sites are a search of the APPIC website. These were the sites that came up when ONLY "Sports Psychology" was entered into the search list. Applicants are encouraged to explore these sites in order to find out the level of involvement in sport psyc (e.g., is there really a rotation or are you on your own to make a rotation). Please explore other sites at [www.appic.org/directory/4\\_1\\_directory\\_online.asp](http://www.appic.org/directory/4_1_directory_online.asp) \*\***
